Mascot Sizing Information Find the correct size

You can easily find the size that fits you. There are various measurements to be made depending on the item of clothing you require.

HEADGEAR

H. Head measure

When measuring for headwear, measure the circumference of the head.

TOPS

Shirts and neck warmers:

P. Collar size

When measuring for shirts and neck warmers, place the tape measure level, 1 cm above the collar bone.

Tops (T-shirts, sweatshirts, jackets etc.) and boiler suits.

A. Chest

When measuring for jackets, T-shirts, sweatshirts, boilersuits etc., place the tape measure level around the widest part of the chest.

TROUSERS, 3/4 LENGTH TROUSERS, SHORTS, BOILERSUITS.

Trousers with high waist:

K1. Normal waist height

The waist is measured by placing the tape measure level around the body.

Trousers with low waist (most trousers in this catalogue have a low waist):

K2. Low waist

The waist is measured by placing the tape measure level around the body.

MASCOT's low waist trousers are also suitable to be worn by women. Women should choose their size according to their hip measurements.

L. Hip

Place the tape measure level around the widest part of the hip.

Leg length for your trousers:

E. Inner seam

The length of inside seam is measured inside the leg from crotch to floor (barefoot).
