# Comfort & Value

# NEW

## Introducing Galls® by Point Blank Body Armor!

**New!** Because your safety remains our number one concern, Galls® has partnered with Point Blank Body Armor to introduce a new line of cost effective, high performance ballistic body armor that meet the new NIJ 0101.06 standards.

You'll find all the features and benefits of previous Galls armor that you appreciated but now enhanced with the attributes that provide the added protection required under the new standards.

## Microfiber Carrier with Anti-Microbial Liner

**New!** The ballistic panels are self supported to prevent sagging. Other features include:

- Extended coverage
- Microfiber carrier has an anti-microbial lining to help control odor
- BP452 is made of new Kevlar XP and is special threats tested
- Six-point removable strapping system with adjustable Velcro® for added comfort and adjustability
- Carrier has 5" x 8" and 8" x 10" front and rear plate pockets
- Carrier has shirt tails to help hold the vest into position
- New neoprene shoulder straps provide added comfort
- Waterproof ballistic panel cover

**Complies with NIJ 0101.06 armor standards.**

See [galls.com](http://galls.com) for how-to-measure. For carrier: hand wash, hang to dry. Made in USA.

Colors: navy, black and white, see left.
