Heat Press

Heat Press is a durable and affordable option for adding titles to just about any garment. Choose from reflective and non-reflective designs and titles; or create your own one-line or two-line custom titles. Reflective heat press is designed of 500 Candlepower of 3M™ Reflectivity.

Reflective Heat Press

500 candlepower of 3M™ reflectivity — designed for nighttime duties. Logos and wording can be placed on the front chest and on the back. All titles are offered in silver reflective color only.

- Same glass bead retro-reflective technology used in ANSI-compliant apparel; light reflects back to the source like vehicle headlights
- Designs and lettering are affixed to your apparel with heat for a permanent transfer
- Flexible reflective graphics won't peel or fade away

Chest Titles

Left or right chest titles: Security, Police^(X), Sheriff^(X), Fire^(X), EMS.

Screen Printing

Screen Printing

Screen Printing of titles or designs is more economical than embroidery — and with less limitations than heat press. You can even screen print polyester. Option is available on selected polos, casual shirts, T-shirts, bags, rainwear and outerwear. Screen printing can handle almost any design, with a durable and long-lasting result. *Call for details and pricing.*

Stand Out With a Custom Design

Set yourself apart with a unique emblem or exclusive embroidered design. When public safety professionals arrive at the scene, a customized emblem immediately identifies them as authority to civilians and to other public safety agencies. Let us help you distinguish yourself in a sea of uniforms with custom authority. Call 800.477.7766 today to find out how you can outfit your entire department.

Emblems

Submit your design, and we'll take care of the rest. From a sketch to finished artwork, we can customize an emblem to your specifications. We'll even send an existing emblem to you for approval. Emblems are available in several options (see below).

Embroidered

Highlights traditional emblem construction with raised detailing and a shiny finish

Inkjetted

Provides more flexibility with details and color gradation

Woven

Allows for more detailing, including smaller lettering

Combination

Combines the fine detail available with a woven emblem, but with the classic raised features of traditional embroidery

Heat-Sealed

Provides a professional appearance and a durable, permanent design without the irritation caused by backing. With the intricate detail of laser etching, the permanent adhesion also eliminates puckering for a smooth finish. Made of the same polyester thread as traditional embroidery, but at a fraction of the cost.

Embroidery

Complete your look with custom embroidery for a more flexible, comfortable option. Please supply finished artwork. Some restrictions apply.
